## Neighborhood Parks

These small public parks (up to five acres) are situated throughout neighborhoods and are designed for residents in the area to enjoy. They typically feature playgrounds and picnic tables, and some have basketball courts.

## Community Parks

The amenities in our public community parks (five to 20+ acres) vary to include off-street parking, restrooms, drinking fountains, picnic shelters, basketball courts, tennis courts and baseball fields. See the map inside for two skateparks, two disc golf courses, a dog park and an American BMX Association track.

Renovation completion anticipated in 2018.

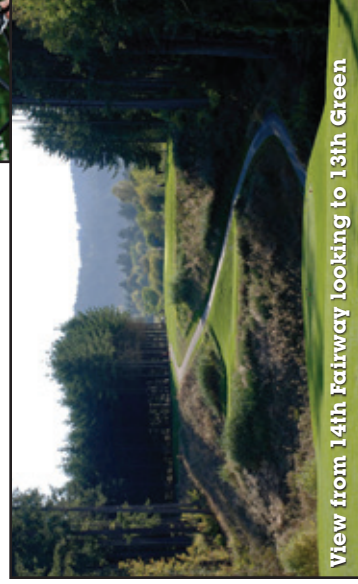

## Community Centers and Facilities

Park shelters, centers and meeting space can be rented for large and small groups such as parties, reunions, graduations, weddings, Quinceaneras, conferences and business meetings.

## Open Spaces and Greenways

These natural areas are preserved in a natural state. Some feature paths or interpretive areas.

## Chehallem Glenn Golf Course

Set in a beautiful 182-acre site, this 18-hole public golf course features rolling hills, trees and stream crossings. Walkers who are not golfing can still enjoy the scenery along the trail which follows the exterior of the course.

The Chehallem Park and Recreation District protects and preserves approximately 1000 acres of developed parkland and open space. The district encompasses both the cities of Newberg and Dundee, as well as some parks in surrounding Yamhill County. Our mandate is to manage these lands for present and future generations.

## Park Reminders

Parks are open from dawn to dusk unless indicated otherwise. Dogs must be kept on a leash. Dog owners must pick up after their dogs. Alcohol is not allowed in the parks. Smoking is not allowed on district properties. The skateparks and BMX track are closed during wet conditions. Check [www.cprdnwberg.org](http://www.cprdnwberg.org) for event schedules and announcements. Please review rules posted at all parks.

## Reservations

You can reserve park shelters for groups, and facilities including large venues such as the Chehallem Armory Center as well as meeting rooms with kitchen amenities at various facilities throughout the district. Park reservations are taken starting January 1st for each calendar year. Facilities can be reserved at any time. Visit our website for details on facilities and rental policies. To make a reservation or to talk to someone with your questions, call our reservation desk at 503.537.2909.

## Volunteer

Individuals and organizations can pitch in by helping maintain flowerbeds and paths or becoming a park caretaker. Visit [www.cprdnwberg.org](http://www.cprdnwberg.org) for details.

## Build a Legacy

A land donation is an excellent way of building a legacy for generations to come. Gifts are tax deductible. CPRD also appreciates donations such as playground equipment, skatepark amenities and in-kind labor.

## Chehallem Glenn Golf Course

Portland Business Journal readers voted our outstanding 18-hole public golf course:

- #2 Favorite Public Golf Course in Oregon
  - #1 Most Challenging
  - #3 Best Place to Hold a Golf Tournament or Event
- To make a reservation or contact the clubhouse, visit [chehalleglenn.com](http://chehalleglenn.com) or call 503-538-9669.

# Our Community's Special District

Makes Life Extra Special

CPRD has 20 developed parks, including a worldclass skatepark, two disc golf courses, a dog park and an American BMX Association track. Walk, picnic, read a book, play ball, enjoy a playground, or photograph nature.

Play golf at 18-hole Chehalem Glenn Golf Course. Reserve a location for a wedding, Quinceañera, family reunion, or business meeting. Enjoy countless activities in recreation, sports, fitness and education throughout our district. We're making life extra special.
