Any defender must remain a reasonable distance (officials discretion) from the goal unless he/she is chasing a loose ball or an marking opposing player.
The first infraction will result in stoppage of play and a warning given to the coach/team in violation. The 2nd infraction will require a stoppage of play with the opposing team receiving a free kick on goal from 4 yds out in the Red league, and 5 yds in the Blue League. All remaining players must be no closer than 5 yards behind the kicker. The player taking the free kick may only play the ball once. Following a successful or missed kick, the defensive team will restart the game with a goal kick..
