2011 Water Polo

Chehalem Water Polo has two seasons; a lengthy spring season (March - May/June) and a shorter summer season (June-July). Registration for the spring season starts mid-December and early May for the summer season.

New to water polo . . . what is it? Water polo combines basketball, football and swimming. IT is played with a yellow volleyball-like ball in a pool with six players and a goalie on each team. The object is to put the ball into the opponent's net, similar to soccer or basketball using a playbook like football. Join our award winning program. Boys and girls of all ages and skill levels are welcome.

Who: Grades 4 & 5; Grades 6 - 8; Grades 9 - 12

Fee: Grade 4 & 5 \$30/\$40
