Letter of Support - CET Funds - 1201 E 5th St.docx;

Hello!

I am reaching out because our organization has applied for CET funds available through the City of Newberg for affordable housing, and we would like to obtain a letter of support from you, whether individually or on behalf of your organization. A template to use is attached for your convenience or you may write your own. We will send letters of support to the Newberg City Council **by May 23rd** for their decision-making process and vote on who should be awarded the available funds during their June council meeting.

If awarded, we will use the CET funds for construction costs at our next build site, 1201 E. Fifth St., Newberg. This is an affordable housing project arranged as two one-level homes stacked on each other with four bedrooms, two baths, each. One of the homes will be designated for a veteran family and the bottom level will be designed to ADA accessibility standards.

Our homeownership program involves selecting a local family within 25-60% of Area Median Income (AMI) to purchase their home with the requirement that they volunteer at least 500 hours of sweat equity. The family will have a 30-year mortgage with a payment equal to 30% of their gross monthly income.

If you have any other questions about our homeownership program or the project, please feel free to reach out. I hope you will consider returning to me a letter of support **on or before May 23rd**.

Thank you for your consideration,

Shannon Selah

To the Newberg City Council:

On behalf of [organization], I am writing to express support for Newberg Area Habitat for Humanity as they seek funding for an housing project to develop much-needed affordable homes at 1201 E. Fifth St., in Newberg.

I have been [job title] for [XX] years and in that time, I have heard about the affordable housing crisis and believe that this project will have a positive impact on the local Newberg community in the following ways:

- The two homes to be built will be four-bedroom stacked homes sold at a price affordable to the homebuyers (30% of their gross monthly income);
- Habitat homebuyers selected for the homeownership program are required to have an income within 25-60% of Area Median Income and a tie to the local community for at least one year prior to application;
- One of the units will be dedicated to a military veteran family, called a Veterans Build;
- The bottom unit is being designed within ADA guidelines for accessibility by physically disabled persons;
- Habitat build projects are built by:
 - Volunteers,
 - Homebuyers, who are required to complete 500 hours of sweat equity,
 - Supervisory staff,
 - Select local vendors, and,
 - Therefore, providing opportunity for community-building in the process of providing needed affordable housing.

I hope you will consider supporting this affordable housing project by awarding Construction Excise Tax (CET) funds to Newberg Area Habitat. The dollars will help immensely to keep this project moving forward.

Sincerely,

Subject: Sponsorship and Future Collaboration

Hi Clay,

Thanks for sharing what Lessie sent you. She mentioned reaching out to you via email regarding a sponsorship opportunity.

Looking ahead, I'm considering the possibility of partnering with CPRD for next year's tournament, potentially as a "Title Sponsor" for this annual event. However, as with CPRD, any initiative of this scale would need approval from our club's board.

As part of the ad-hoc committee for this Rotary Club, and a charter member with over twenty years in this club, I've been involved in organizing numerous events and fundraisers, all of which have benefited from CPRD's support. From access to Memorial Park for Oktoberfest and Summerfests to the provision of stages, tables, chairs, and other resources, CPRD has always played a key role in helping us bring these gatherings to life. Given that I spearheaded this fundraiser, the board has allowed me some flexibility in managing the event.

I appreciate your time and look forward to exploring opportunities for collaboration. Let me know your thoughts!

Respectfully,

Bob Travers

Subject: Golf Tourney sponsorship

Hi Clay – When I called you last Thursday to talk about CPRD sponsoring a Hole-in-One prize in the club's upcoming golf event, you told me it would have to be presented to the CPRD board for approval. So I talked to Bob Travers to see if he could be there and he said he was planning on it. So you should know that the two available holes are #13 and #5 – your choice – and the cost is \$750, which includes a team of four.

Bob was also thrilled to learn that you might be able to donate some items for the associated raffle!

We're looking forward to the board's positive response!

Lessie Dale, Secretary
Rotary Club of Newberg Early Birds

(PS – The club board has approved your application and you'll be hearing from your mentors, Gary Stewart and Doug Caffall, in the near future; they'll set up a lunch meeting with you sometime soon!)

CPRD Trail length summary.xlsx; Investment Fund 12-31-2024.xlsx;

Clay,

Thanks for meeting with me. Here is the last trail summary I did. It includes everything proposed for Crystal Riley including bikes, pedestrians and horses. The Crystal Riley detail spreadsheet is attached.

I've sent you separately a company name for field tiling in the area if Ewing Young or similar site needs to be address drainage.

There is also the most recent quarter ending (3/31/2025) balance for the district's Local Government Investment Pool balance.. Unfortunately, the accountants have never reported this balance in their audited financials for the fiscal years ending 6/30/20XX. The balances represent SDC and general fund unreported accumulations. Please include the investment pool graph and data in the board packet.

Have these balances been reflected in this year's budget?

Thanks for your time and consideration.
