Subject: CPRD Meeting 1/22/2026 agenda
Date: Thursday, January 15, 2026 at 8:16:42 PM Pacific Standard Time
From: Ryann Reinhofer
To: Kat Ricker
Attachments: NWBS.pdf, CRC.pdf

Hello Kat,

Can you please include this for the next CPRD meeting on January 22nd 2026. Thank you!

The Crystal Rilee Equestrians are thrilled to announce our contribution of nearly \$20K to the CPRD Foundation for all-weather footing at the park! It has been wonderful to see the park bustling with activity throughout the winter, with hikers, dog walkers, children, and horses all enjoying the mud-free trails. The positive impact of these improvements has inspired us to continue our volunteer and donation efforts on the west side.

After discussing our plans with the park staff, we are ready to proceed once the west side trails are touched up with a box blade. After that, we'll be set to organize another hauling and spreading event!

In addition, we'd like to extend our donation and volunteer base to help develop another Master Plan project: an off-leash dog area. With the growing number of users, we believe providing a safe space for dogs to run free will greatly benefit both our four-legged friends and their two-legged companions.

Furthermore, our involvement in the Sheriff's mounted search and rescue training efforts has highlighted the need for suitable training grounds. We believe the park is an ideal venue to support the local sheriff's departments in their rescue training, enhancing the safety of this vast area in case of emergencies.

Lastly, I wanted to share some fun snippets from our volunteer day and the trails from January 2026 for those who haven't yet seen the impressive improvements!
