

## CPRD Pickleball Advisory Committee Minutes

November 29th, 2021

Meeting began at the Aquatic Center at 7:00PM

Correction to the November 15th, 2021 Minutes: Remove Linda Sandberg from attendance

Minutes approved

Six members attending: Linda Sandberg, Nick Konen, Sheryl Greiner, Mike Kringlen, Lance Trantham, and Hunter Wylie

Two Representatives from CPRD were present: Gayle Bizeau and Julie Peterson

- Nick has not been able to attend a young pros meeting.
- Lance Trantham presented the updated survey. Input was given by the committee and will be finalized by next meeting.
- Mike and Hunter have been working to get letters of support and will likely get signed letters from the following individuals
  - Leslie Caldwell, Mike Danahue, Scott Parker
- Mike and Hunter met with Don Clements
  - Don expressed support for the project
  - He was very receptive to the fact sheet regarding the placement of the facility on the third nine of the golf course but would need to spend some time reviewing the information.
  - He offered some alternative locations as well: School district land or private landowners
- Committee discussed adding a playground facility to the plan to make it a truly multigenerational site
  - Julie Peterson discussed the importance of having multigenerational facilities here in Newberg.

Assignments for next meeting

- Hunter: Leslie Caldwell has requested a more detailed look at the economic impact of a large scale pickleball tournament on a community. Hunter will gather this data using the 2021 Bend and Boise tournaments.
- Linda: Organize the following meetings

- Hunter to present to both the Wednesday and Thursday rotary groups
  - Call with Megan Carda of lifestyle properties
- Nick: Contact and set up meeting with McMinnville Pickleball Club
- Other things to consider:
  - Meet with McMinnville Chamber of Commerce
  - Meet with Benji Hedgecock who is the owner and operator of NAFA, the organization who runs all of the softball tournaments in Newberg

The next meeting will be held on December 13th, 2021 at 7:00PM at the Aquatic Center

Meeting finished at 8:15PM
