

## **MY NAME IS ANTHONY ADAMS, FORMER DIVISION 1/ PROFESSIONAL FOOTBALL ATHLETE.**

I graduated from Portland State University in 2021 after growing up in Newberg and attending Newberg High School where I competed in Football, basketball, baseball and track and field from 2013-2017.

Growing up in the Newberg sports community molded me into the person I am today and I am very grateful for all of the opportunities that were available to me as a young athlete. Now that my playing days are over, I am looking forward to passing on my knowledge of football and athletics to the kids of the younger generation looking for more opportunities to advance their athletic abilities. I bring a very upbeat, structured; informative style of teaching that I feel a lot of kids can relate with and benefit from.

I am looking forward to getting back into the Newberg community to create and provide more opportunity and knowledge for all of Newberg's youth!
