

by the school district. He was not satisfied with the answers he received although he indicated he would help in selling the bond issue when the time came.

David Jaquith presented four letterhead designs for the District for our inspection, and we will think on them. Mr Neal suggested something, either animal or people to tie it to the district, make it more personal.

Larry Neal spoke on the Vancouver pool, problems, design, Teen Club. Then went on to advise on the hows and whos of selecting a superintendent. He suggested we start sooner on our advertising, closing the selections and ads March 30, making the final selection in April so that whoever we selected would have time to resign and train someone, and hopefully sit in on some of our planning. Mr Neal indicated that he would furnish us with a job description, application, etc so that we could get these organized this month.

It was moved by Jaquith and seconded by Benedict to accept the budget as presented and prepared, passed.

Mr Neal continued that outside businessmen and townspeople should be included on the board selecting the new man, also perhaps someone from the profession itself, Jerrald Pelton, Howard Turpening, himself, to mention a few.

As to possible candidates for our job, Ted Brown at Beaverton, Garth McGuire at Eugene, DeSchliegent of Albany were mentioned.

Next meeting was set for Monday Feb 20 at 7:30, P & R Offices.

Respectfully Submitted,
