In April 2009, a group of skateboarding enthusiasts from Dundee approached City Council and subsequently Chehalem Park & Recreation District to request the installation of a street course skate park in Dundee. The CPRD Dundee Skate Park Committee was formed, sites evaluated, petitions filed, and approvals, donations and statements of support came in. Today we cut the ribbon on the CPRD Dundee Skate Park at Dundee-Billick Park. Keep up with the latest at www.dundeeskatepark.org
